## Hello Residents, Families and Friends!

As you may be aware that unfortunately due to increased number of COVID cases across the country we have taken decision to not invite family and friends to Edwardian Care Home's Christmas party. This was a difficult decision to make as we are aware how much some of you were looking forward to this party.

We are lucky that at the moment we are COVID free in the care home and we are hoping to remain this way throughout the winter season.

Should you need to speak with me, I am always available.

Keep Safe!
